Grading Policy
Revised for COVID-19

Per COVID-19 school closures, updated state recommendations, & discussion at our May 5th CTE Director meeting, PNW College Credit has revised our grading policy as shown below –

- Preferred Grading Standard: A, A-, B+, B, Below B
  - District's using an A/Incomplete policy
    - PNWCC will defer to the teachers decision on whether a student has completed their articulated class at a level of B or above and would be successful in the next level college course if they continued on at the college after earning credit
    - Students should have a B, 80%, 3.0, or above comprehension level of articulated college course competencies
- If students are ineligible for credit due to off campus learning resulting from COVID-19 school closures and
  - Students will have an option to complete the class at a later date, you must notify our office prior to June 15th, 2020
    - Teachers should use the newly added "Incomplete" option on the first drop down in the SERS grading roster
    - Grade will be updated if/when student completes the class
    - Students will not be charged a late fee for 2019-20 classes
  - Students will not have the option to complete the class requirements at a later date, Teachers should
    - Grade as "Not Attained"
    - Add a comment (to the left of student name in SERS roster) indicating not eligible for credit due to COVID-19 closure
- All students registered in SERS are expected to be graded 100%
- Grades are due in SERS on the same day they are due to your district
- **Final Grading Deadline is June 30th**

- **SERS Grading options recognized by PNWCC:**
