

★★ Earn College Credit in High School ★★

CTE Dual Credit Info Nights

Discover PNW College Credit & the CTE Dual Credit Program

What will be covered:

- * How CTE Dual Credit works
- * Which high school classes qualify
- * Benefits of earning Dual Credit
- * PNWCC requirements & deadlines
- * How to create a SERS account
- * How to register your class for credit
- * How to request college transcription

Who should attend?

High School Students (grades 9 – 12), and their parents/guardians, who are interested in earning dual credit for Career & Technical Education classes

Why attend?

These sessions walk you step-by-step through the process of earning CTE Dual Credit. You'll learn exactly how to register, meet requirements, and request transcription—and you'll have the opportunity to ask questions directly to PNWCC administration.
